DETAILED ACTION

1. The rejection as set forth in Office Action mailed on 12/15/2004 is withdrawn in view of Applicants' amendments and remarks filed on 03/18/2005.
2. The cancellation of claims 19 and 22-26 is acknowledged.
3. The addition of claims 55-57 is acknowledged.
4. Claims 1-18, 20, 21 and 27-57 are pending in the Application.

Claim Objections

5. Claims 17 and 18 are objected to because of the following informalities: Claims 17 and 18 recite, "...applying a...to each of the memory cards after said singulating...". However, there is no description of said "memory cards" earlier in the claims. Appropriate correction is required.

Allowable Subject Matter

6. Claims 1-16, 20, 21 and 27-57 are allowed.
7. Claims 18 and 19 would be allowable if rewritten or amended to overcome the claim objections, set forth in this Office action.
8. The following is a statement of reasons for the indication of allowable subject matter: the prior art of record fail to teach applying a coating to each of the memory cards after singulating; affixing an outer casing to each of the memory cards after said singulating; wherein the non-linear shaping of each of the instances by said singulating is achieved through curvilinear or non-rectangular cutting during said singulating.
